# How to disable Internet Explorer from saving CHIRP password:

1. Launch **Internet Explorer**.

2. Click on **Tools** at the top of the web browser.  Then on **Internet Options**.
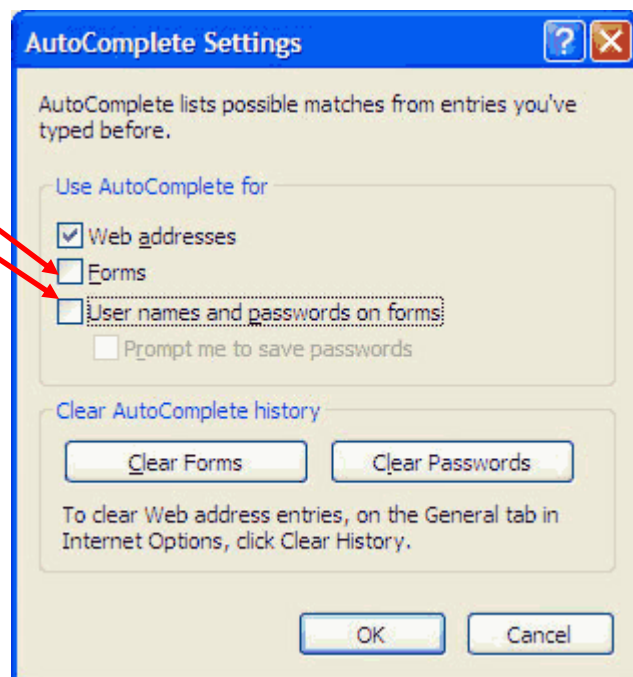

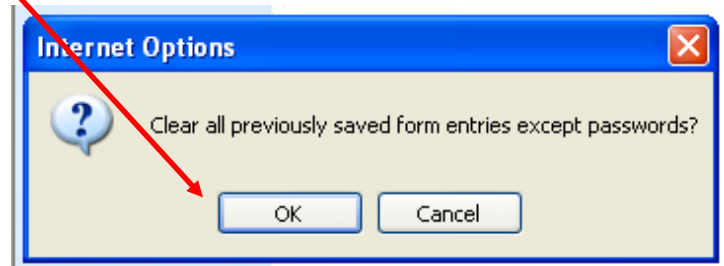

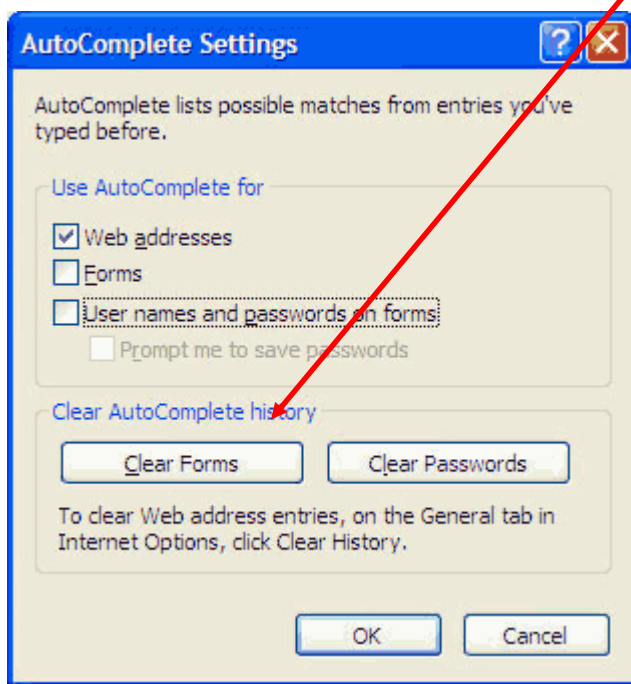

3. Then click on the **Content** tab.

4. Under **Personal information** click on **AutoComplete**.

5. To stop password saving, uncheck "**Forms**" and "**User names and passwords on forms**".

6. To clear all existing form information, click on **Clear Forms**, then click **OK** in the warning dialog box.

7. To clear all existing saved usernames and passwords, click on **Clear Passwords**, then click **OK** in the warning dialog box.

8. Click **Ok** all the way out and then **Close** CHIRP.  Then **Open** CHIRP and log back in.
